“Before IHA was established I had to drive an hour each way to get the feral cats I was feeding spayed or neutered. Lots of caring people are doing an awesome job to help control the number of unwanted animals going to our shelters and rescue organizations.”

Sherry Myhlousen IHA Volunteer and Colony Caregiver

Your donation makes a difference and saves countless lives.

Safe Haven of Iowa County's relationship with IHA has evolved over the years starting with spays/neuters at a cost we could afford. Now we are using their transport service to work with community members who need affordable and convenient spay/neuter of owned and stray cats. Many of these citizens would not spay/neuter if it were not for the incentive of reduced cost and added convenience through transportation. Thank you IHA for enabling us to help our community.
