Dear Supporter,

October 16th is National Feral Cat Day and IHA salutes Feral Freedom all month long!

Help us celebrate the life-saving work of Trap-Neuter-Return.

Attend the Winter Care Workshop and the Feral Freedom Festival (both events listed below). Learn how TNR benefits the whole community.

Donate today in support of TNR. Indicate in the comments field that you want your gift to go directly to the IHA Community Cat Fund, providing spay/neuter assistance for community cat colonies and preventing unnecessary litters. Your contribution makes a tremendous impact!

We work with so many dedicated individuals practicing TNR and caring for community cats every day, rain or shine. It is a labor of love. Angela Brecht is one of those courageous individuals.
