Dear Supporter,

This is Tiger.

He is one of over 10,000
community cats that have
been spayed or neutered at
Iowa Humane Alliance since
2013.

His caretaker sent us this photo and update:

"All three of last year's kittens survived the winter in good shape, as did their mother, thanks to Iowa Humane Alliance's spay/neuter program and their winter houses for the kitties. Kind of like Habitat for Humanity, these houses are habitat for felines! Our whole neighborhood enjoys the antics of these kitties. Very healthy!!"

Iowa Humane Alliance says thank you to all who care for community cats. Together we are making wonderful things happen for pets and the people who care for them!

\$1,000 Grant received for Honorary Mary Blount Fund!

Thanks to the Animal Relief Foundation Trust, we now have more funding to assist the animals and people who need our help the most!

This funding is available through the Honorary Mary Blount Fund, named after IHA retired founder and mentor, Mary Blount Mincey. Approximately 25% of our clinic clientele require additional funding assistance. We continually add to this fund through our participation in the annual Rummage in the Ramp event, through donations made to our accounts at all three Stuff Etc. locations and through generous donations and grants like this.
