Here are two testimonials that reveal how your tax-deductible donation to Iowa Humane Alliance is a gift that will provide effective solutions, not just for one organization but for animals all across our state.

“As Last Hope has continued to grow, rescuing and caring for hundreds of animals each year, our partnership with IHA has proven invaluable. The ability to provide local low cost spay and neuters for animals in our care has allowed Last Hope to maintain manageable intake costs that in turn keep our adoption rates very reasonable to the public. Sonia Brandley, Director, Last Hope Animal Rescue and Charlie (another successful forever home adoption )

“The information provided by IHA helped me learn best practices of TNR and colony management. We have seen a drastic reduction in unwanted litters of kittens and an increase in the general health of all the cats due to our targeted approach for TNR in one specific neighborhood. This would not be possible without the availability of IHA’s services for community cats.”

Shelby Airy, Colony Caregiver

## Theisen's Awards Iowa Humane Alliance!

By reducing barriers to basic services for pets, a safer and healthier environment is created for families, their pets and communities. It is in this interest that Theisen's has awarded IHA with a \$1,000 grant to assist clients with specific financial needs for the cost of spay/neuter surgery.

Thank you Theisen's for recognizing the value of Iowa Humane Alliance programs for our community!

Having a tough time figuring out what to get for animal loving Uncle Harry who has everything, including sweaters for his bunny?

How about making a donation to Iowa Humane Alliance in his honor...or in his bunny's honor?!

It makes a wonderful gift and helps keep IHA programs strong for the future! It also won't hurt your relationship with Uncle Harry!
