Thank you for rescuing this homeless bottle and for supporting Iowa Humane Alliance...

And our life-saving programs!

IHA Regional Spay and Neuter Clinic: Our primary focus is to provide high-quality spay and neuter surgeries at an affordable cost to address the pet over-population crisis. Our services are offered to pet parents, rescue and shelter organizations, and individuals caring for community cats. Our clinic has performed over 95,000 spay and neuter surgeries since opening in 2013!

ITRAP – Iowa Trap/Neuter/Return Resource Assistance Program: Designed to provide individuals with the necessary resources and teach humane and effective trap-neuter-return tactics for community cats.

Spay and Neuter Transport: We partner with humane organizations and individuals within a Under resourced Eastern Iowa communities, to provide affordable spay and neuter services. Our van enables us to transport shelter and owned animals from a remote destination to our clinic for surgery and return them back the following day.

Love for Pets: Provides individuals in targeted, under-served neighborhoods with the animal health resources necessary to keep pets safe, healthy, happy, and in their homes. We demonstrate care and compassion through a non-judgmental approach and foster the human-animal bond.

Spay Iowa: A state-wide referral program that provides individuals with affordable spay and neuter options and directs them to the nearest resource within their community or region.

The IHA Animal Alliance Network: Designed to facilitate unconditional positive regard among animal welfare organizations to respect each organizational mission, recognize their strengths and maximize vital resources. Partners are encouraged to attend informational sessions, benefit from a reduced cost for services, participate in promotional and fundraising events, and exchange progressive ideas to further advance the care of animals.
