IHA Partner's Corner

This month we would like to introduce you to In My Back Yard (IMBY) In Grinnell Iowa

"Change starts at home and I am starting in my back yard. In 8 months, IHA has provided neuter services to 132 of IMBY's cats, a mix of community cats and pet cats. IMBY improves the lives of cats, the people who care for them, reduces neighbor complaints, and reduces shelter intakes by using IHA's services.

The photo above is of Fat Tabby, the first cat I TNR'd from my back yard. He used to show up with a limp and severe wounds to his neck and front arms. Now that he's neutered, he doesn't fight anymore. He loves to sun himself on my back porch and smell the catnip I planted for him.

Did you know that it's estimated that the number of
community cats in the U.S is 30 to 40 million?

IMBY plans to get every community cat
and pet cat, dog, and bunny in Grinnell neutered and
then offer its services to another
community in need."

- Willow Naeco, Founder of IMBY

Watch your email for our 2019 Impact Report!

One of Iowa Humane Alliance's core values is to provide
accountability and transparency
in everything we do.

Your amazing support deserves full reporting and we are
excited to be able to offer this information to you.
This report will be emailed to our loyal friends and
available on our website.

Did you know that 87% of pets
living in underserved
communities in the United States
are not spayed or neutered?

Did you know that community
cats produce 80% of new litters
of kittens born in the US every
year?
