Thank You Fleming Nursery!

Fleming Nursery

Our building permit required that we plant a number of trees and shrubs with our clinic expansion project.

IHA sends out a HUGE THANK YOU to Fleming Nursery for their donation of five beautiful trees!

We recently provided spay/neuter services for their resident cats; Piglet and Nubey.

We are so grateful to this local business that supports our mission to end pet overpopulation.

to provide resources for pet parents, helping them keep
their pets healthy, happy and in their homes.
This program serves one of our most underserved local
neighborhoods

At this year's Wellington Heights Pet Fest,
7 dogs and 14 cats were signed up for transport to our
clinic for spay/neuter surgery.
This outreach would be impossible if not for our
partnership with the Wellington Heights Neighborhood
Association.

Hot Tips for Keeping Pets Safe This Summer...

Everyone needs a cool drink. Ensure access to fresh cool water for pets and wildlife.

Hot pavement can cause burns and blisters! Take your pet on walks during the cooler parts of the day.
