IHA Grant Award from Petco Foundation

We are excited to announce that we received a \$5,000 grant award from the Petco Foundation. Grant funds will support the Iowa Humane Alliance's ITRAP program. By partnering with local organizations to identify "hot spots" which result in the highest numbers of kitten intakes for local shelters, IHA can focus on target areas in the community where TNR funding is needed most. Thank you Petco Foundation!

IHA Partner's Corner Cedar Valley Humane Society

Cedar Valley Humane Society started distributing pet food, flea and tick prevention, leashes, collars, and other pet supplies alongside Iowa Humane Alliance in 2019, at the Wellington Heights Resource Center. Since then our partnership has grown to reach more pet owners in the community, working together to reduce pet overpopulation, provide pet supplies, and advise on pet related needs. Both organizations have really come together to problem solve and create the best outcome possible for pets in our community and continue to grow our reach together.

Anyone can TNR! Here are just a few of the great tips you can find on our website: <http://iowahumanealliance.org/trapneuterreturn>. Check it out!

Don't be afraid to withhold food for 24 hours prior to trapping! Set the traps in a quiet, safe area where the cats commonly travel, like your feeding station.
