## IHA Partner's Corner Dubuque Regional Humane Society

The DRHS is a no-kill animal shelter, based in Dubuque,  
which serves the tri-state area. Since we are unable to offer  
low-cost spay/neuter services to the public ourselves,  
we were very excited to begin this partnership with Iowa  
Humane Alliance. Though our partnership is only seven  
months old, we have already been able to help over 200  
animals in our community receive essential veterinary care  
they would not have received otherwise.

We are very grateful for the opportunity to work with IHA  
to help the Dubuque community!

**June is National Pet Preparedness Month. Pets can't prepare for an emergency, but you can! Find out more on our website at [iowahumanealliance.org.](http://iowahumanealliance.org)**

Make sure your pet's vaccinations are up to date and their microchip is registered. Keeping digital records gives you access to this information whenever you need it.

Prepare an emergency pet kit with pet food, vaccination records, and medications with instructions. Don't forget to pack a leash and a toy to help reduce stress.

Arrange for a friend, relative, or neighbor to care for your pet in the event that you are unable to. As a last resort, you may have to board your pet or contact your local animal control for alternative housing options.
