IHA Partner's Corner
Muscatine Area Transport!
We have formed an important partnership with two nonprofit organizations; Muscatine Humane Society and For Pet’s Sake in order to bring back the Muscatine area transport. Now pet owners, community cat caretakers and animal shelter/rescue organizations in the Muscatine area can access high-quality, low-cost spay and neuter services through our monthly transport program.

Cats needing transport will be scheduled through the Muscatine Humane Society and Dogs through For Pet’s Sake. All animals will be picked up at the Muscatine Humane Society on the date of the scheduled transport, delivered to our clinic for surgery and returned to that same location the following morning. Great news for Muscatine!

Iowa neighborhoods are embracing trap-neuter-return because it’s the most effective and humane solution for controlling community cat populations. Find out more about how you can help the cats in your neighborhood: iowahumanealliance.org

In 2021, Iowa Humane Alliance has spayed or neutered community cats from 180 cities. So far this year, we have performed 3,100 community cat surgeries! 320 of these community cats were from Cedar Rapids alone.
