March to the Can Shed
With Your Iowa Deposit Containers!

1997 - 2022

Iowa Humane Alliance has been selected as the recipient organization for Can Shed's general donation program during the month of March!

These deposit containers really add up! Cans and bottles can be dropped off at the IHA clinic, OR at any of the 5 Can Shed locations! (Please make sure they have the IA-5 on them and if sorted, we will get the full 5 cent value!)

We took in approximately $1,980 through our recycling program in 2021 turning it into lifesaving spay and neuter programs!

IHA Partner's Corner
PetCo Love

Iowa Humane Alliance is partnering with national nonprofit Petco Love to give pets their best shot for a healthy life. Free core (FVRCP and DHPP) vaccines are being administered when animals visit IHA’s clinic for their spay/neuter surgery. This initiative makes life-saving vaccines accessible to pet parents and assures that cost is not a barrier to protecting pets and community cats from preventable diseases.
