IHA Partner's Corner Better Together Animal Rescue

Better Together was founded in 2018 and is located in the heart of Benton County, in downtown Vinton. As we are currently the only animal welfare non-profit organization that seeks adoptive homes for animals in Benton County, our partnership with IHA is critical to our success.

We not only utilize IHA's services as frequently as we can for our adoptable pets, but refer citizens on a near daily basis in an effort for individuals to have access to affordable spay/neuter options.

We routinely receive testimonials from grateful clients describing how they and their pet have benefited from IHA's awesome programs and services. We want to share some of these with you because you make it all possible!

"Thanks for all you do! I have brought more than 100 cats to IHA for TNR, and they all have received wonderful care. Max is one of our colony cats that have been neutered and vaccinated. He's well loved, cared for, and very healthy. Thanks to IHA for your great care of free roaming cats!"

"Crush, Jax, Nitro and Sophie say thank you so much to all of the workers at your facility! My son and I brought our 4 big babies to the vaccine and microchip event today and the workers were all great!"

"Here is a picture of my Goldie with his fancy "ear tip". Thank you IHA for all you do to help prevent unwanted litters. I have taken many stray cats & kittens for friends, family & myself over the years to IHA. You make such a difference in their lives."
