Recycle for Spay & Neuter

Support IHA during the month of February by donating your Iowa deposit containers!

Can Shed will join IHA this month to raise funds and awareness about spay and neuter.

Donations of redeemable drink containers really add up. Redeemable aluminum cans and plastic drink bottles can be dropped off in the bins located on the Southwest corner of the clinic, next to our dumpster.

This month only, you can also take your Iowa deposit containers directly to any of the 5 Can Shed locations and they will add your redemption value to IHA's account!
